SEBASTIAN MECKOVSKI

ABOUT ME

Self-motivated individual with a strong desire and aptitude to learn. Having been interested in IT since childhood**, I am pursuing a career as a Python Developer**. I have **acquired several IT certifications** and **worked on few projects** which can be viewed on my GitHub profile.

I have also **accomplished** Python Masterclass with Learn Programming Academy and was **selected as their Video Editor**. In order to do this job efficiently, this job requires **understanding of the code**. Not only was it an opportunity to **deepen my coding skills** in Python and Java, but it also gave me experience in **working as part of a team** on multiple projects, enhancing my communication skills and improving my **problem-solving capabilities.**
